Dedication

This is the year to dedicate the yearbook not only to parents and teachers but to all who have been responsible for the beautiful new building, our home of education for many years to come; and the promise of an opportunity for the best education to be for life ahead whether college is included or excluded. We have lived one year in this building, but this year has been a preview of the educational opportunities ahead for all of us, and we should take advantage of the many facilities available in curricular and extracurricular activities. Let us show our appreciation by being responsible, educated citizens produced by the: PRAIRIE HEIGHTS COMMUNITY SCHOOLS.

Science a Provide

The planetarium, our pride and joy, is a room in which a projector casts images of the stars and planets on a hemispherical dome.

The instruments are used in teaching the fundamentals of astronomy including such things as constellations, motions of planets, groups of stars, and facts about stars. They also help introduce the students to the current missile programs connected with space science.

Beginning with next year, Mr. Noffsinger hopes to organize an advanced course in space science and astronomy, he plans to start teaching astronomy to fifth grade students who would come to the planetarium two or threetimes a year, and eventually provide adult education courses in astronomy.

Mr. Noffsinger points out parts of the projector while students observe.

One of the many aspects of biology class that students find interesting, is viewing microscopic organisms.

Modern math is one of the outstanding courses added to our new curriculum.

nd Math Departments Advanced Training

Gene Graves, Dave Singleton, and David Store are doing an experiment. They are finding it challenging to work in our new chemistry lab.

Language Develops

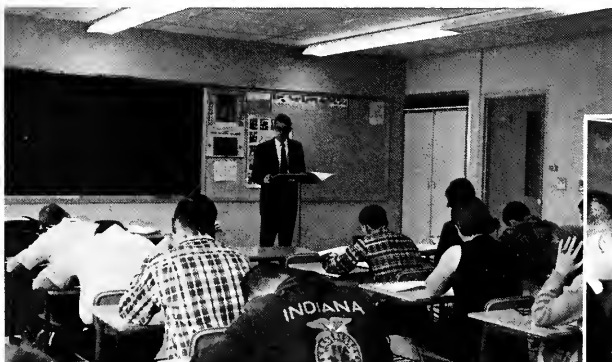

Students receiving concentrated drill.

One of the most dramatic changes in foreign language instruction has taken place within the past several years. This perhaps is due partly to the fact that emphasis is now being placed upon learning the language speaking it. The language laboratory serves as invaluable adjunct to foreign language instruction of today.

The language laboratory does not replace the teacher but it enables him and the students to do things that they cannot do in the classroom.

Through regularly scheduled lab sessions, the students receive concentrated drill and practice for fifteen to twenty minutes, over material which has first been introduced in the classroom by the teacher. In the laboratory, the students are provided with a variety of authentic native voices which serve as untiring models.

The busy juniors under Mr. Meeks study hard to get their English Assignments.

Junior Everett, Sharon Sanders, Cherry Boyer, and Sue Young preparing a speech for Speech Class.

Understanding

From the console, the teacher can monitor the students, briefly correcting individual students without interrupting the work of others.

The headphones and partitions give the students a reassuring sense of privacy and reduce distractions, thus encouraging concentration.

Some booths are equipped with facilities which allow the student to record the program coming from the console and, at the same time, record his responses. He can then play back the recording and compare his responses with that of the model. Through the help of the teacher, he can analyze and correct his errors.

We feel that the language laboratory is, and will continue to be, an invaluable aid to foreign language learning in our school.

Miss Harshberger using the console to teach the fundamentals of Spanish.

Mr. Glick keeps his German class busy and happy.

Our Library =

Prairie Heights is justly proud of its spacious beautiful library. It is the realization of Mr. Diehl's belief that the library should be the hut of the school, a source of reference for all departments, and a place for study or pleasure reading under ideal conditions. The furnishings and general decor contribute to an atmosphere of dignity and an appreciation for good books, magazines and periodicals, reading which is vital to the education of students in all fields.

Literature and Tranquility

At the present time, approximately four thousand books are shelved or are being processed for use. Many more are requisitioned and will arrive soon. As time goes on, the library will become more and more a part of every student's learning experience, as new books, a vertical file and other materials are added.

Today's Student's—Tomorrow Homemakers

The Home Living Center is designed to provide an atmosphere within which the acquisition of living-dining skills will be more meaningful. Our clothing room provides up-to-date equipment for clothing room construction. This includes modern sewing machines, table space for cutting and assembling garments and pressing equipment to use in making well fitted, attractive garments. It has been said that the kitchen is the heart of the home, and this may be equally true of a homemaking department. Our Five Unit, well-arranged kitchens make meal preparation easier and more enjoyable.

To the Students of Prairie Heights Jr. & Sr. High School

Between the covers of this book you will find the threads and fibre to weave the mighty bonds of friendship that you will value through future years.

This will become a veritable treasure house unfolding memories of happy hours along with uneasy moments spent in these classrooms and halls.

The molding of our character . . . heart and soul . . . is for the everlasting years ahead. Through you and yours, may I feel that a part of me lives on forever?

I have every kind wish for your future.

Brice G. Diehl
Superintendent of Schools

Seniors of 1966, you are now embarking upon the "road of life." You, as young adults, will encounter many road-blocks as you travel, but the knowledge you have gained the past twelve years will pave the way toward a better life. Your many accomplishments here are about to encounter.

Your futures are bright, your opportunities unlimited, make the best of all of them.

Congratulations, and good luck!

Society members are called forth to take their places in the installation of membership.

Society

The president of Auburn N.H.S. assists in the installation of the first members of our chapter.

The lighting of the torch signifies the official act of becoming a National Honor Society member.

The National Honor Society, which consists of twelve seniors, eight juniors, and five sophomores, selected by the faculty members on the basis of scholarship, leadership, service, and character, was formed for the first time this year.

In order to determine members for the society, the teachers had to wait for the first semester transcript of grades. Consequently, the Society received little opportunity to conduct many activities or programs for the year 1966.

The members paid dollar dues which were used in purchasing National Honor Society awards.

Solemn parents are bursting with pride, as they watch their children take the National Honor Society oath.

Officers TOP to BOTTOM: Margie Rowilson, President; Cheryl Castner, Vice President; Lynda Holden, Secretary; Pamela Fisher, Treasurer; Lynn Clifton, Point Chairman; Linda Benson, Point Chairman; Miss Carolyn Davis, Sponsor.

The purpose of the Girls' Athletic Association shall be stimulate participation in girls' athletics and to promote ideals of health and sportsmanship in each member as well as providing physical activity.

Each girl earnestly works for points which, in turn, allows her to receive awards ranging from a pin to a senior blazer award.

This year, as we did last year, a G.A.A. Banquet was held at Hall's Restaurant in Angola. We also sponsored a sweatshirt sale and a record hop with the proceeds going toward awards.

It is the purpose of the Library Club to sponsor a greater interest among the students in the use of books and library service, to stimulate reading interests, and to improve the library service of the school.

With the help of Mrs. Bryan, the librarians learn to become efficient at their work. They helped students find books and use the card catalog. They helped in getting the books ready for circulation filing cards and etc.

Deadline—Today

The Aim of the yearbook staff of this year's Galaxy was to produce a book of memories for the 1965-66 school year. The book has more pages and pictures than ever before. Even color was added to make a more attractive book for its viewers.

It was a new, interesting experience for most of the staff members. They accepted the obligation and responsibility of yearbook publication by long working hours at planning and placing together pictures, copy material, etc., into a yearbook copy. Accepting the leadership roles as co-editors were Linda Kellett and Sandy Halsey. Bob Getts and Harold Conley edited the sports section. Cherry Boyer and Ronnie Mikkelson served as copy editors.

The business manager duties were filled by Joyce Ernsberger while Sara Jo Cline, Karen Cage, and Keith Dunkel capably handled the proof reading. The artist on the staff was Wanda Hostetler. In addition to their other duties, Wanda Hostetler and Ronnie Mikkelson supervised the advertising campaign, and Linda Booth, Marilyn Powers served as subscription managers. David Stalf fulfilled the responsibility of "have camera will travel" slogan.

Journalism

The journalism class published the school paper, "The Prairie Heigh-Lites." They report on news of events coming and of history. They then write the articles, dummy stencil, and then mimeograph--the final step. Their sponsor was Mrs. Myers.

Quidnunc

Quidnunc is the name that was chosen for the creative arts magazine. Though the name Quidnunc has a negative connotation, it does apply well to the purpose of the magazine which is to publish in a formal booklet all sorts of creative works such as poems, essays, short stories, drawings and photographic art by students. Any member of the student body may submit the results of his inspiration and creative efforts.

Science Club

The Science Club membership was available to any high school student who desired to join. Its purpose is to encourage and educate students who are interested in science.

Among its activities this year were observation of the stars with the schools small telescopes. A lecture on photography by a guest speaker and a field trip to the Bloomington area to explore a cave.

Sponsors were Mr. Noffsinger, Mr. Goette, and Mr. Gambill.

The purpose of this organization shall be to bring together in high school young people interested in careers in nursing and health, in order to share these interests, to explore opportunities and requirements in these fields, to grow as individuals by working together to develop leadership, and invite, by giving opportunity for responsibility in their field, an interest in health. Membership shall consist of any Prairie Heights High School student who shows an interest in the field of health as a career. Special programs of the club included a trip to the Fort Wayne State School and to the Parkview Hospital. Our guest speakers were: Mrs. Burton Lewis of La Grange Hospital and Mrs. Fulton of the Public Health Nurse.

Some of the girls have taken responsibilities of being Candy Strippers, at the Cameron Hospital, in Angola, Ind. These Candy Strippers perform many useful tasks including filling water glasses, carrying meals to patients and feeding them, making beds, and running errands for both patients and nurses.

Der Deutsche Verein "German Club"

The German Club is obviously a society for those interested enrolled in a German class. Its objective is largely to expose students to things of cultural interest related to the language, such as special films, guest speakers, field trips, and in general, some good old German (Spass) (fun). Most of these experiences cannot be provided in the classroom, so the German Club is organized to complement classroom drills and exercises. An additional objective is to provide a situation for students to practice and apply their knowledge of German in a normal situation free from inhibition of saying the wrong thing.

Officers: Corrine Kain President, Marva Rumsey Secretary along with their sponsor Mr. Glick.

"Las Amigas"

The Spanish Club

The Spanish Club organized this year to provide additional culture-related activities not included in a more formal class of Spanish. The constitution states the purpose of the club as follows: "The purpose of this club will be the practice of Spanish and the familiarization of the customs and the literature of the Spanish people."

Any student who has had one or more years' study of the language or one who is at the time enrolled in a Spanish class is eligible for membership.

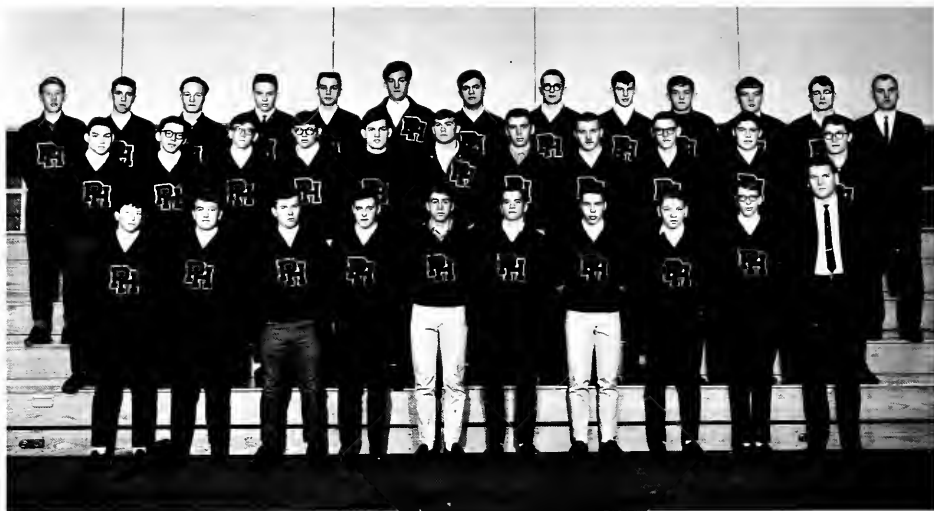

The club activities were climaxed with a Mexican meal at Luna's Restaurant in Fort Wayne. Chili today and Hot Tamale!

Letterman's Club

The Prairie Height's Lettermen's Club was organized for the first time this year. The membership of the club is traditional--letter in a major school sport.

This great band of letter-winning Panthers began the year's activities by putting their trust in the following officer: Harold Conley, President. (pictured below).

Later in the spring, the Lettermen sponsored their first big activity--the athletic Banquet. The Banquet took place in May in our own cafetorium. Coaches, cheerleaders, and members of the athletic squads were guests at the event.

The Letterman's President, Harold Conley, views the new trophy case. It is with great desire of the club's personnel to fill the case with many cherished mementoes.

The Student Council is an organization formed for the purpose of giving students a representative government in their school. Through the Student Council the students can meet with the administrative body to solve the problems of student body and to help promote school spirit. It also assists in recreational activities. This year the student council sponsored a Christmas dance. They also had a penny pitch fund for the student body. They collected \$80.00 in which they sent into WOWO.

The student council was in charge of the concession stand during the basketball season. Mrs. Coler was their advisor.

Future Farmers of America

The FUTURE FARMERS OF AMERICA, or "FFA" as it is commonly known, is the national organization of, by, and for boys studying vocational agriculture in public secondary schools under the provisions of the National Vocational Education Acts.

The FFA is an intra-curricular activity having its origin and root in a definite part of the school curriculum--vocational agriculture. Among other things, members learn through active participation how to conduct and take part in a public meeting; to speak in public; to buy and sell cooperatively; to solve their own problems; to finance themselves; and to assume civic responsibility. The foundation upon which the FUTURE FARMERS OF AMERICA organization is built includes leadership and character development, sportsmanship, cooperation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship and patriotism.

Dramatics

This year the Dramatics Club, under the direction of Mr. and Mrs. Minks, presented seven, one-act plays. Five of the plays, although, were entered into contests, with Dramatics Club Members directing them.

Actually, this year the Dramatics Club, as every other club and organization, laid a foundation for the future years. Next year the club will launch bigger and better things.

There is one main requirement for a student to secure membership in the club. He or she must receive ten points by attending plays, working on play crews or as stage managers, or action in plays to gain membership.

Pep Club

Being present at the game and "yelling" for the Panthers is the responsibility of the pep club. This year, the Pep Club was, more or less on, a trial basis. The Club elected officers at the first of the year under the direction of Miss Karen Wilhelm, the sponsor.

In order to remain in the club, members were required to attend all home games, to wear white blouses.

The officers elected for the 1965-66 season are--Cherry Boyer, President; Sara Cline, Vice President; Sharman Sellers, Secretary-Treasurer; Sue Young, Senior Representative; Colleen Bryant, Junior Representative, Susan Hughes, Sophomore Representative, and Linda Parr, Freshman Representative.

THE PRAIRIE HEIGHTS MARCHING BAND

The band under the capable direction of Mr. Bruce Riegel was busy from the very beginning of the school year. The band marched at the football games, Steuben and LaGrange 4-H Fairs, Indiana State Fair, Auburn Fair, and the LaGrange Corn Festival. They provided music background for the school dedication program. In February they gave a Winter Concert and later went to State contest. Many of the band members also participated in ensemble contest. In May the band played at the annual Commencement ceremony and closed its activities by performing at Memorial Day services.

Pictured at the top right, Mr. Riegel discusses a musical number with Sharman Sellers, Karen Hostetler, and Kathy Storer.

Band members practice diligently in their new physical facilities. Risers are utilized as a part of the floor construction. Storage is provided for instruments and robes. The area is complete with a music library, music offices, and sound proofed individual and ensemble practice rooms.

GRIDIRON PANTHERS PROVIDE STRONG BATTLE FIRST COMPETITIVE SCHEDULE

Prairie Heights Gridiron squad started the 1965 season with no experienced players and a world of hopes. Nineteen boys turned out for the bruising sport and began their drills on the warmest August weather under the watchful eyes of Coach Jack Kenyon, and Assistant Coach Paul Greshaw. The line positions were settled by Craig Siders, Tim Peace, John McElroy, Keith Dunkel, Ron Ernsburger, Jack Wren, Harold Conley, Tim Diehl, and Jeff Clauson. Gary Levitz, Doug Levitz, and Jeff Butler shared the halfback positions. Jim Gick took the fullback job and John Kessler was the starting quarterback.

Lack of reserve strength was a constant bugaboo to Coach Kenyon as could be seen in many of the harder fought games. As the season progressed, Jim Sleeper, Kirk Aldrich, Richard Ernsburger, Steve Beer, and George Compton began turning in some fine pieces of relief work.

Reviewing the gridiron season as a whole, even with its ups and downs, the Panthers showed the characteristics of creating a solid foundation for the sport of football in the years to come at the Prairie Heights Community School.

The Panther Cubs, headed by Coach Howard McGlennen, started slowly and cautiously but ended the season with a flurry of strong basketball play winning three of the last four ball games. The team's record (5-13) does not indicate the hustle and spirit that the boys possessed during the season.

The Jr. Varsity was back-up by the cheerleaders (pictured below) in the true tradition of leading a cheer-block. Enthusiasm was the code word cast upon the basketball crowd by these energetic members.

NET PANTHERS CLAW HARD IN LOSING SEASON

Shortly after the football season closed, the nets were put up and the hardwood boys began their nightly workouts on the basketball court. Bob Getts was the only returning letterman from the 65-66 squad to give the Panthers somewhat of an inexperienced group.

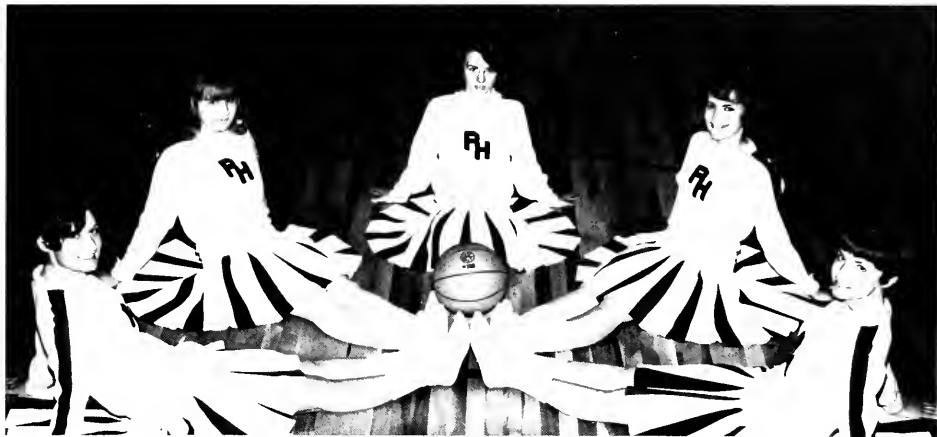

Early drills proved that the Panthers would be handicapped by lack of height and this fact materialized as the season wore on. Coach Spahr worked hard with the squad, but it was a long season as only one victory was recorded. Fighting an uphill battle throughout the year against all opponents; they proved their true peak in the sectional when they drew the tough Freemont team. An upset was almost in the making as Freemont narrowly squeezed out a victory by the score of 55 to 50.

Because of the fact that there were only two seniors on the team this year, Prairie Heights should have a much improved season for 66-67. We'll raise the old cry "wait till next year."

Pictured above are the boys that saw most of the action for the team this past year. They are: Tony Wilder, shooting the ball, and Bob Getts (50), the two seniors; Harold Conley in the foreground, Steve Kellett at left of picture, and John McElroy (40).

These peppy cheerleaders added much color and activity to both the football and the basketball games this year. Four of the cheerleaders will graduate this year. Pat Northup will be the only veteran varsity returnee for next year.

Baseball

FRONT ROW: H. Conley, J. Becker, L. Kressley, R. Ransburg, L. Singleton, G. Parr. BACK ROW: Coach Foltz, T. Wilder, D. Benhower, J. Knight, B. Getts, S. Kellett, E. Helmuth, Coach McGlennen

This was the first season with the new baseball facility. The diamond is completely surrounded with chain-link fence and has a grass infield. In the near future with proper care, this diamond will compare with any in the area.

The team started the season off poorly by losing the first four ball games. The first victory came against Lakeland by a 2-1 score. This was by far the best effort of the season. The team played errorless ball backed up by a one-hit pitching performance by Bob Getts.

The first win on Prairie Height's diamond was against Bronson. A loss seemed unavoidable as the Bronson was leading 13-6 going into the last inning. The Panthers rallied for seven runs to tie the score and then scored three runs in the bottom of the eighth to win 16-14.

High School Field and Track

FRONT ROW: D. Lash, S. Heckler, R. Albright, J. Beer, J. Butler, R. Coney. SECOND ROW: Coach Kenyon, R. Ernsberger, D. Beiswanger, M. Cheek, R. Ernsberger, T. Diehl, G. Compton. THIRD ROW: G. Levitz, D. Barker, D. Reese, B. Outcalt, B. Greenwalt, K. Aldrich. BACK ROW: D. Putnam, J. VanWagner, J. Luttman, K. Dunkel, K. Lash, S. Gunning, C. Siders.

PANTHER SPRINTERS FIND ROUGH PATH

--BUT FUTURE LOOKS GOOD

Gary Levitz winning the 100 yd. dash in meet with Shipshewana-Scott.

Coach Jack Kenyon, though expressing optimism at times knew that rough path lay ahead. The vast number of boys who turned out in April were unexperienced but displayed a wealth of ability. The only lettermen returning from the 1965-66 cinder runners were Steve Heckler, Gary Levitz, Steve Frey, and Jeff Butler.

The Panthers' prime power was in the distance events. The thinly clad who were carrying the burden in the two-mile are Beiswanger* and Luttman*; Compton and Outcalt in the one-mile. Dick Lash and Jeff Butler handle the one-half mile. Steve Heckler capably put the shot, while Siders usually leads the way in the 440.

Coach Kenyon expressed that since many of the track members are underclassmen, the Panther cindermen will claw many enemies in the future.

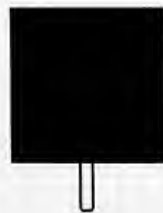

*Qualified for sectional in the two-mile event.

Dedication

Mr. Diehl gives his speech at the dedication program.

Judge Donald Hunter, our guest speaker for the Dedication Program, was very instrumental in making our hopes of a new school building a realization.

Parents and interested onlookers observe the foreign language lab.

Many people who visited our magnificent library were thrilled and awed at the many splendored things.

Day

Hundreds of intent listeners hear the Dedication speeches and songs.

Parents and friends enjoy talking to our speech teacher, Mr. Hepler.

Mr. Goette explains a few basic principles of chemistry to the observing guests who pass through the Chemistry Laboratory.

The expressions on the faces of the people who visited the Home Economics Living Room can best be summed up in one word--WOW!!

The head table consisted of the coaches and their wives, Mr. Davenport, the guest speaker, Harold Conley, president of the Lettermen's Club, and Steve Kellett, who gave an introduction for the guest speaker.

The administration, faculty, and students enjoy the delicious chicken dinner at the 1965-1966 Athletic Banquet which was held in the school cafetorium.

The food was prepared by the Prairie Heights cooks and served by competent young ladies who volunteered from the student body.

Everyone there at P.H.H.S. was grateful to the cooks and serving girls. They have helped to make a number of our social events successful by serving the delicious food which they so diligently prepared.

BANQUET

Mr. Spahr presents Bob Getts with the outstanding senior basketball player trophy.

Our speaker was Mr. Robert Davenport, head football coach at Taylor University.

Mr. Spahr awards Steve Hellett a basketball trophy for the best field goal percentage.

Harold Conley presents Mr. Foltz with a seat belt.--What--a seat belt? Well, it seems Mr. Foltz can't stay awake in class at St. Francis College, so the seat belt will keep him in his seat!

Mr. Kenyon presents Dick Lash with the outstanding Senior track member award.

Tony Wilder receives the outstanding senior cross country member award from Mr. McGlennen.

Awards

The second annual Prairie Heights Awards Program was held May 19 in the school gymnasium.

Various teachers presented awards to deserving students in many fields of endeavor.

Mr. Hepler, speech teacher, presents speech contest awards to Wanda Wathen and Cheryl Castner. Wanda placed first in the District Competition.

Mr. Davis, the yearbook adviser, presents awards to the ten senior members of the Yearbook Staff.

This year, Cherry Boyer, Richard Hutchens, Ronnie Mikkelson, Larry Coney, and Tom Schmidt won awards for outstanding achievement and service in the Dramatics Club.

Day

Miss Strubbe presents Harold Conley and Violet Jean Silcox with well-deserved Typing Speed Awards. (Advanced Typing)

David La-Motte receives Typing Speed Award (Typing I)

Cherry Boyer, Library Club President, awards a pin to each senior member of the Library Club.

Select freshmen receive scholastic awards for high scores on an achievement test. If you could see Mr. Cline's face you could tell how proud he is of all these fine young students.

This year, the National Honor Society was officially launched by inducting 27 charter members. Therefore, every member was given a pin or charm at the Awards Program.

SWEETHEART

QUEEN

QUEEN AND COURT

Jean Bell was crowned our 1966 Queen at the annual Sweetheart Dance sponsored by the cheerleaders. Jean was the candidate for the Sophomore class. Her reign was brief but eventful, providing a perfect combination of beauty and tradition for the Valentine's Day program.

Jean's Court consisted of Ruby Hunter, Grade 12; Tonnie Selvon, Grade 11; Pam Young, Grade 9; Linda Spillner, Grade 8; Kathy Conner, Grade 7.

Kathy Conner, Tonnie Selvon, Jean Bell, Ruby Hunter, Pam Young, Linda Spillner.

GOVERNMENT ACTIVITIES

The senior government officers are: Ruby Hunter, Wanda Wathen, Paul Richards, and Linda Booth.

Seniors study Federalist and Nationalist Party platforms at a joint session of Congress.

OUR FEARLESS LEADER

To Mrs. Minks:

The Government classes express a vote of thanks for your guidance in their government activities.

This year the government classes elected officers to plan and promote various governmental activities, and this way each student became more familiar with elections. We held a joint session of Congress, took a field trip to Notre Dame Law School, and some students were jurors for a mock court trial in South Bend.

At the beginning of the elected officers term it was decided that the class would have speakers come to the school and tell about various types of government and different countries. So, during the course of the year we heard lectures and interesting news from Mr. Wayne Hughes, Republican Representative from the Fourth District, and from Mr. John D. Shiraef, an expert on Russia and the Russian people.

The Hobo game. Comy but fun.

The cafetorium served as the prime location for many school parties. One of the classic gatherings was the Hobo party sponsored by the school publication group.

PROM OF NINETEEN

Lynn Kressley, senior class president, responds to the address given by the junior class president, Harold Conley.

Students look upon the gay assortment of salads. The deluxe salad table and delicious food was prepared by our cooks.

Lively and excited chatter fills the cafetorium, as the students enjoy their dinner.

Entertainment for the banquet was provided by talented students and teachers from Prairie Heights.

A various assortment of enchanting music was played by the Rhythmaires during the prom.

HUNDRED AND SIXTY-SIX

Mr. and Mrs. Howard McGlennen lead the very first Grand March of Prairie Heights into the gymnasium. As the students enter, everyone is conscious of the judges who will choose a King and Queen.

As the juniors and seniors enter with their dates, the most common comment is: "Boy, this sure doesn't look like the gymnasium. It looks more like a night club." Indeed it did. The juniors really outdid themselves on decorations.

KING AND QUEEN

King and Queen, Jim Coler and Linda Kellett smile radiantly for the camera as they receive their royalty from Mrs. Miller and Mr. McGlennen.

PROM THEME:

*A Shower
of Stars*

Young ladies and gentlemen danced romantically in all of their splendor under a Shower of Stars.

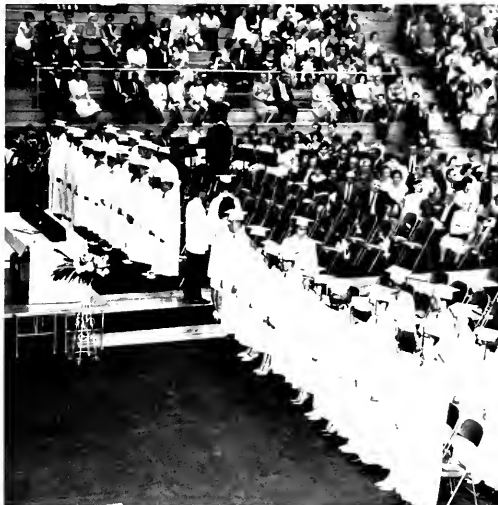

Many carried out the old tradition of taking your best guy or gal to the Junior Senior Prom, which made the occasion more beautiful.

Many wished it over, many hoped it would last forever, but everyone will remember the wonderment of it all for as long as they may live.

BEFORE AND . . .

Just prior to Graduation the seniors line up in the hall proudly awaiting their big moment. Each person is anxious to receive his or her diploma, but yet each person is sad to leave school. For it is in this school where these students have made friends, engaged in social activities and found security.

AFTER

Seniors, some joyous and some sad, congratulate each other after their long-awaited event.

Now each person will go his own way seeking the new and exciting by leaving the old and well-known routine of school. Some will go on to higher education, some will raise families, some will find jobs and become influential in their communities, and some will serve in the armed services.

These students who are about to embark on the "threshold of life" have been guided by their teachers for the past twelve years--now each student, with the help of God, is his own guide.

And now the doors of P.H.H.S. are closed to the seniors of sixty-six, but as they are closed forever a new door is opened, a new life is waiting for those who last walked these halls, and behind these doors lies the road to the future.

CONGRATULATIONS SENIORS FROM THE YEARBOOK STAFF.
